

# MEET THE STAFF OF

## Be Well Family Clinic

### TAHMID ROHIM

Administrative Director

**Works closely with the medical director as the administrative director of the clinic. He oversees operations, finance, human resources, and the upkeep of the clinic facility.**

## SASHA ELLIS

Family Physician

Family care physician with extensive training in family medicine both in Port Douglas and internationally.

## MARIANNE NORRIS

Nurse Practitioner

**As a primary care provider, she performs initial exams and oversees the majority of patients' health care needs.**

## AUSTEN WARD

Family Therapist

Consults on mental health cases, family and individual counseling, and helps the clinic staff connect physical health with mental well-being.

**VICTORIA STUBBS**  
Medical Assistant

**Records vital signs, updates medical histories, prepares patients for examination, draws blood, and even sometimes administers medications or tests.**

## **BRENDAN YANG**

**Medical Secretary**

**Checks in patients, handles their paperwork, and ensures that tests and prescriptions are processed in a timely manner.**
