

1. Why did the staff think there was a security problem at the Center? What **accusation** did Pierre make? How did he want to improve security at the Center?

2. Why was Clive against the use of a security guard?

3. How might new security measures affect the Center's youth population, according to Clive?

4. You could have chosen a security system or a sign-in sheet as the most sensible way to keep the Center safe. Both might have done the trick, but why was the sign-in sheet the best option for the Center?
