## GRADE 4 Summer School Toolkit

BrainPOP Summer School features favorite movies in every subject area with thought-provoking Pause Points to keep students actively engaged.

Designed to build content knowledge, the prompts provide meaningful practice with essential literacy skills. For example, while learning how volcanoes form and why they explode, kids are also citing evidence to make predictions!

Accompanying each movie is a list of literacy skills the Pause Points address and a lesson plan with ideas for using BrainPOP's creative tools, assessment, and more.
